The claims of those sections of community who are most in need of aid, will, other conditions being satisfied, be first considered.

5. Candidates who are preparing for a group certificate or a diploma shall have preference over those who are studying single subjects only.

6. No student shall be allowed to hold at the same time more than one scholarship If eligible for more than one, he shall elect which he will hold, and the scholarship thus set free will be awarded to the next most deserving student

All applications for scholarships awardable under this notification should be submitted to the Superintendent of Industrial Education, Madras, by the correspondent of the institution in which the pupil studied in 1910, through the correspondent of the institution in which he intends to study, on printed forms which may be obtained from the Superintendent. All applications should be dated. Separate forms should be used for each grade of scholarship. If one form is not large enough, the list should be continued on another form.

2. The applications should reach the Superintendent within three weeks of the publication of this notification or of the publication of the results of the Government Technical Examinations on which the scholarships are awarded, if such results are published after the date of this notification Those submitted after the prescribed date, will be liable to rejection for that reason.

3. Any scholarship vacated in the course of the period for which it is tenable may be awarded for the remaining period to an eligible applicant in the same year of study as the holder of the scholarship vacated.

4. The names of selected candidates will be notified by the Superintendent in the *Fort St. George Gazette*.

5. Heads of institutions may grant leave without diminution or loss of scholarship for a period not exceeding one month to scholars who are absent in consequence of severe sickness; but if the leave exceeds this period, no allowance is to be granted for the excess period. Under the above conditions, leave for scholarship-holders may be sanctioned by the head of the institution, but should be reported to the Superintendent. If a scholarship-holder absents himself without good reason on the re-opening day after the vacation for the institution, the scholarship for the vacation is liable to be withheld at the Superintendent's discretion.

6. No person receiving a scholarship under this notification shall be permitted to hold another scholarship provided wholly or partially by Government without the special sanction of the Superintendent. Such sanction will be accorded only for very distinguished merit

7. Where the order of merit cannot be clearly ascertained, the Superintendent may at his discretion order a further competitive examination among those who are eligible for scholarships.

8. All scholarships tenable under the above rules are liable to forfeiture, for idleness, misconduct, irregularity in attendance or failure to make due progress or to secure annual promotion.

9. A scholarship held in any class shall run from the beginning of the month in which the holder joins the class and shall not continue to be drawn after he ceases to attend the class. The scholarships are payable monthly.
